

## Level 3

# Outdoor Activity Instructor Apprenticeship

Supervising and guiding  
children and adults in  
activities and pastimes

The main responsibility of an Outdoor Activity Instructor is to run a safe and enjoyable activity session. Firstly they will prepare for the session – gather information about the participants and resources for the activity. Then they will deliver the session – brief participants, maintain safety, provide on-going instruction and encouragement. After this they will meet session outcome – support participants to achieve set outcome (such as new skills / knowledge, thrill seeking, personal or team challenge). Finally they will close the session – hand-over participants, return resources and equipment, log any issues.

Outdoor Activity Instructors may undertake their apprenticeship with an employer who specialises in a particular client group (individuals or groups, specific age range, mental and physical ability) or range of activities offered. They exercise autonomy and judgement to complete tasks and procedures and call on close back-up for problems and incidents that may occur.

They actively respect the environment, show a positive attitude and are employed in outdoor adventure or education centres, nature reserves or national parks. Typical job titles may include Multi-Activity Leader, Environmental Education Tutor, Activity Instructor, Ranger, National Park Guide.

### OVERVIEW OF THE ROLE

An Outdoor Activity Instructor supervises and guides children and adults in activities and pastimes such as canoeing, sailing, climbing, surfing, cycling, hillwalking, archery, bushcraft, rock pooling, geology, plant identification, habitat or wildlife walks at an introductory level. They will be supervised while working in a limited range of venues and weather conditions following tightly defined operating procedures.

### Assessment

The apprenticeship includes independent assessment to check the apprentice's overall performance against the standard.

The end-point assessment will include:

- » Work based Project and interview
- » Professional Discussion with Portfolio of evidence
- » Practical observation

Independent end-point assessment happens when the employer, apprentice and trainer/ assessor are satisfied that the apprentice is working consistently at or above the level set out in the apprenticeship standard.

### Entry Requirements

Maths and English at Level 1 or equivalent. Employers may also have their own entry requirements.

Before taking the end-point assessment, apprentices must achieve level 2 English and maths (equivalent to GCSEs at grades A\*-C or 9-4). You will have an experienced tutor who will support you to work towards these qualifications.
