

Governor Vacancies at Westminster Adult Education Service

Are you passionate about shaping the future of adult education? Do you have a vision for empowering individuals through learning and skill development? Westminster Adult Education Service is on the lookout for a dynamic and dedicated individual to join our governing board as a Governor.

About us:

Westminster Adult Education Service (WAES) is a renowned provider of high-quality adult education in the heart of London. Committed to lifelong learning, WAES offers a wide range of courses and training programs to a vibrant and diverse community. Programmes include Digital Skills Bootcamps and Cybersecurity delivered through our Digital Academy. Our Accounting, Childcare, ESOL and Employability skills help adults gain the skills needed for work. In recognition of the wider benefits of learning, we also deliver community learning programmes for health and well-being and to support community cohesion. Please read about our future plans in our [Strategic Plan 2023-28](#)

Westminster Adult Education Service **Strategic Plan** 2023–2028

For further details, or to arrange an informal chat please email: jmorgan@waes.ac.uk

The Opportunity:

As a Governor, you will play a pivotal role in guiding WAES to new heights of success. Your expertise, insights, and commitment will contribute to shaping strategic decisions, ensuring the delivery of exceptional education services, and fostering an environment of innovation and inclusivity.

Key Responsibilities:

- **Strategic Leadership:** Contribute to the development and implementation of WAES's strategic vision.
- **Governance Oversight:** Provide effective governance, ensuring compliance with policies and regulations.
- **Stakeholder Engagement:** Engage with diverse stakeholders, building relationships, particularly with local employers to support the success of WAES.
- **Educational Advocacy:** Champion adult education, advocating for the transformative impact it has on individuals and communities.
- **Innovation and Quality Assurance:** Contribute to discussions on enhancing the quality and relevance of courses and programs.

What We're Looking for:

- **Passion for Education:** A deep commitment to the power of education to transform lives.
- **Strategic Thinker:** Ability to think strategically and contribute to the development of long-term plans.
- **Collaborative Spirit:** A team player with excellent communication and interpersonal skills.
- **Diversity and Inclusion:** An understanding and appreciation for diverse perspectives and experiences.
- **Specialisms sought:** We would particularly welcome applicants with experience of managing capital building programmes and developing strong employer relationships.

If we have sparked your interest, please get in touch using the details above.
