## FREE COURSES

Many of our courses are free to low income earners and we have additional financial support available to support you on your learning journey.

For our higher-level offer, government loans are available to those who are eligible. Speak to an advisor to see if you qualify.

We are committed to helping you navigate the challenges ahead. Contact us for more information and advice.

## ENROL NOW

Westminster Adult Education Service offers daytime, evening and weekend qualifications and short courses for employment and leisure.

To ensure the safety of all our staff and learners, we are continually monitoring the government's advice and will adapt our learning as needed.

Most of our programmes will continue to have some online and blended learning options and we will support any learners who need to self-isolate.

## Supporting Your Journey to Success

WAES is committed to:

- Transforming your career opportunities and support your happiness and wellbeing through inclusive, inspirational lifelong learning.
- Seeing you progress.
- Ensuring you have an Individual Learning Plan. This requires that WAES Admissions understand your educational background, work experience and/or personal interests to assess the appropriate level of study that will be suitable for you. This may require that you show evidence of qualifications and complete initial assessments. Our learners enrol on either of the individual learning plans:

**Adult Career Plan** – An Adult Career Plan will set out the progression route towards your chosen career. This will be monitored through your Individual Learning Plan with your course leaders and tutors. They will set targets for you to achieve as you progress towards your goal. The Adult Career Plan's purpose is to keep you on track to transform employment opportunities, prepare you for higher-skilled employment or education.

**Adult Cultural Life & Wellbeing Plan** – An Adult Cultural Life and Wellbeing Plan will set out the reasons you would like to engage in art for leisure or study English to support your children in their studies or for other reasons. Some of you will be working in high-pressure roles and want to engage in ceramics or art to bring some balance and wellbeing to your life. WAES values your happiness. We can support you in your participation in the cultural life on offer here in Westminster, the City for All.

### Funding and Support

Fees are found against each of the courses listed along with concessionary rates, where applicable. There are many options to help you fund your studies, our advisors are here to help!

### Focusing on employment

We are committed to supporting our learners to achieve their career goals or help them into employment.

### Higher level offer

Our higher level programme offer is still available, and can be funded by advanced learner loans. Advanced Learner Loans are available for individuals aged 19 or above to undertake approved qualifications at Levels 3 to 6 at an approved provider in England. These loans give you access to financial support for tuition costs similar to that available in higher education and are administered by Student Finance England. You can find out more at [www.waes.ac.uk/services/loans](http://www.waes.ac.uk/services/loans).
