FREE COURSES

Many of our courses are free* to those who are not currently working or low income earners and we have additional financial support available to support you on your learning journey.

This year, there is also funding available for selected Level 3 courses. This is a great opportunity and we are here to advise, so get in touch.

For course information in full, visit www.waes.ac.uk/courses

Find out about our FREE* Level 3 courses

The government has recently announced changes to the funding rules and some Level 3 courses will now be available on a fully funded basis for learners who do not currently have a Level 3 or higher qualification.

Contact us and we can help you get started on your journey to a new career.

For those courses that do not fall within this offer, Advanced Learner Loans are available for individuals aged 19 or above to undertake approved qualifications at Levels 3 to 6. These loans give you access to financial support for tuition costs, similar to that available in higher education, and are administered by Student Finance England. You can find out more at www.waes.ac.uk/services/loans.

Focus on Employment

WAES offers a range of work-focused learning opportunities and qualification courses that will get you ready for the world of work. Whether your work situation was affected by the pandemic, or you are returning to work after a break, looking for a promotion in your current career, or wanting to move into a new field you've always dreamed about, we have courses that can get you started.

We also have intensive work-ready programmes that can give you the right set of skills and tools to get into work quickly.

We run programmes throughout the year that help to enhance your employment readiness, such as CV workshops, interview preparation, and many more.

Visit our website for more information, or give us a call, we can help!

Digital Skills at WAES

Do you want to learn how to use your computer effectively or add to your existing computing skills for work, studies or home? Visit our website to find out more about our range of courses, including skills to improve your office work. Whether you are a complete beginner or a more experienced user, our computing courses offer you the opportunity to improve your job prospects, update your existing experience and learn new skills.

Train for a career in IT

Gain knowledge of cyber security principles and practices by completing our foundational courses. Alternatively, develop coding and digital skills by completing our Level 2 & 3 Computing courses. These courses are offered as a blended programme where you will receive tuition and direction at set times during the week from your tutor.

Distance Learning Offer

WAES offers a range of distance learning courses, many of which are fully funded. Every course allows you to achieve a nationally recognised qualification and you receive help and guidance from a dedicated team of tutors throughout your study. Best of all, you can study at your own pace.

Distance Learning Courses:

- Functional Skills
- Business & Management Skills
- Childcare & Early Years Education
- Health & Social Care.

Visit our website for more information.

FREE* English for Speakers of Other Languages (ESOL) Courses

Whether you are completely new to English, or would like to brush up on your skills, we have an ESOL course for you. ESOL courses from beginner to advanced levels run regularly throughout the year, with termly starts in September, January and April. Our part-time courses run typically for 6 hours a week, on weekdays, evenings (Monday-Thursday) or Saturdays.

Our teaching staff are fully qualified with years of experience to help you develop your English reading, writing, speaking and listening skills. We focus on topics which help to develop specific skills to enhance your employment prospects and to build your confidence when communicating outside the classroom.

ESOL Course Levels and Progression:

- Pre-Entry (beginners)
- Entry Level 1 (beginners)
- Entry Level 2 (lower intermediate)
- Entry Level 3 (intermediate)
- Level 1 (upper intermediate)
- Level 2 (advanced)

Visit a WAES centre for advice and take an assessment to find out which level is suitable for you.

English and Maths Functional Skills, including GCSE

WAES offers an ideal way to build your skills and confidence, whether you are a beginner or improving your skill level – even if it has been a while since you last studied. We offer Entry Level 3, Level 1 and Level 2 Maths and English classes and GCSE English and Maths. Visit us for an assessment to determine the right level for you to start at. Our GCSE courses run for a year and the next start date will be September 2022.

Keeping You Safe

Westminster Adult Education Service offers daytime, evening and weekend qualifications and short courses for both employment and leisure.

To ensure the safety of all our staff and learners, we are continually monitoring the government's advice and will adapt our learning as needed.

We have incorporated online and blended learning options into our courses and we will support any learners who need to isolate.
