FREE* Courses

Many of our courses are free to UK residents who are unemployed or on low incomes. There are also selected Level 3 courses that are covered by additional funding for learners who do not have a Level 3 or equivalent qualification. Please contact us for advice.

Even if you don't qualify for full funding, we may be able to assist you to get a loan to cover your course fees. The loan doesn't cover additional material costs, but we also have bursary assistance available, so please come and talk to us and we will find the best way for you to start your learning journey.

Westminster Digital Hub

As part of the Mayor's Academies Programme, the Westminster Digital Hub at WAES is an innovative new partnership of training providers, digital employers, local authorities and third sector organisations aiming to get Londoners into good, well-paid work in the digital sector. The Digital Hub encompasses the four neighbouring London boroughs of the City of Westminster, Wandsworth, Camden, and the Royal Borough of Kensington and Chelsea.

Learn coding, cyber security and more at WAES and we will assist you in finding employment in this growing sector.

Focus on Employment

WAES offers a range of work-focused learning opportunities and qualification courses that will get you ready for the world of work. Whether you are returning to work after a break, looking for a promotion in your current career or wanting to move into a new field you've always dreamed about, we have courses that can get you started. We also have intensive work-ready programmes that can give you the right set of skills and tools to get into work quickly.

Advanced Learner Loans

Some Level 3 courses are eligible for funding, subject to conditions. Even if you don't qualify for this funding, Advanced Learner Loans are available for those aged 19 and over to help with the costs of Level 3 to Level 6 courses. This is a great way to access courses that previously, for financial reasons, may have been out of your reach! You don't need to start repaying your loan until you are earning £27,295 per year. Talk to our advisors who will be able to help you with your application.

Distance Learning Offer

WAES offers a range of distance learning courses, many of which are fully funded. Every course allows you to achieve a nationally recognised qualification and you receive help and guidance from a dedicated team of tutors throughout your study. Best of all, you can study at your own pace. Visit our website for more information.
