Westminster Digital Hub & Skills Bootcamps

As part of the Mayor's Academies Programme, the Westminster Digital Hub at WAES is an innovative new partnership of training providers, digital employers, local authorities and third sector organisations aiming to get Londoners into good, well-paid work in the digital sector. The Digital Hub encompasses the four neighbouring London boroughs of the City of Westminster, Wandsworth, Camden, and the Royal Borough of Kensington and Chelsea.

Whether you are looking to gain knowledge of cyber security principles and practices by completing our foundational courses, or want to develop coding and digital skills on our Level 2 and 3 Computing courses, we have a wide range available.

We also offer a selection of intensive **Digital Skills Bootcamps**. Skills Bootcamps are part of the Government's Lifetime Skills Guarantee, helping everyone gain skills for life. Skills Bootcamps are free, flexible courses of up to 16 weeks, giving people the opportunity to build up sector-specific skills and fast-track to an interview with a local employer. We currently have the popular Amazon AWS re-Start programme and a Web Application Development Bootcamp run in conjunction with The Code Institute.

Focus on Employment

WAES offers a range of work-focused learning opportunities and qualification courses that will get you ready for the world of work. Whether you are returning to work after a break, looking for a promotion in your current career or wanting to move into a new field you've always dreamed about, we have courses that can get you started. We also have **intensive work-ready programmes** that can give you the right set of skills and tools to get into work quickly.

Advanced Learner Loans

Some Level 3 courses are eligible for funding, subject to conditions. Even if you don't qualify for this funding, Advanced Learner Loans are available for those aged 19 and over to help with the costs of Level 3 to Level 6 courses. This is a great way to access courses that previously, for financial reasons, may have been out of your reach! You don't need to start repaying your loan until you are earning £27,295 per year. Talk to our advisors who will be able to help you with your application.
